

Miling Primary School

'Together we learn and achieve'

AN INDEPENDENT PUBLIC SCHOOL

12 August, 2020

Message From The Principal

What it lies in our power to do, it lies in our power not to do.
Aristotle

This newsletter is a combination of School & Community news and as a result some content may not reflect Miling Primary School's attitudes or values.

MORAL PURPOSE:

to provide the opportunity for our students to become well informed, actively involved, positive citizens through: developing life long learners and maximizing the potential of every student.

Dear Parents, Carers and Community Week 4 Term 3

It has been extremely encouraging watching and teaching our students over the past few weeks. They are applying themselves with great thought, creativity and attention to the tasks set for them. From my observations they are all putting in a great deal of effort to make progress.

Our school board will meet this Thursday to verify the Annual Report, altered Policies and establish some clear processes for moving forward into the future.

Plans are well underway for our faction carnival with Kalannie and we will be organising with the Sports Committee support people for this event and the Interschool Athletics in Week 8. At this present time, we are still in Phase 4 and that will require social distancing and use of hand sanitiser to maintain levels of hygiene on the day.

AFL FOOTBALL CLINIC

The AFL clinics that have been held demonstrated some clear natural abilities and the facilitator Glenn Collins and student support Jacob were well organised and had a great manner with the students. Most of the students came away from the sessions with smiles on their faces and also a variety of merchandise.

ENEABBA 2020

Thank you to the parents who took our very

talented runners to Eneabba this year. The runners all demonstrated a terrific effort and were presented with their certificates at school.

KINDY 2021

If you or other family members or friends have a child ready for Kindy next year, please call the School Office or drop in and pick up an enrolment form. Children born between July 1st, 2016 and June 30th, 2017 are eligible to attend Kindy in 2021.

PARENTS ON SCHOOL GROUNDS

As per the Government's regulations, parents are permitted to enter school grounds but not enter classrooms. Students can still be dropped off at the front gate of the school. Kindy and Pre-primary children who are dropped at the gate will continue to be walked to their area by a staff member. Parents entering school grounds at the end of the day to pick up children from the classroom are reminded to observe the **1.5m social distancing regulations**.

The latest information received from the Department of Education ...

MAINTAINING VIGILANCE

Thank you to all schools who have maintained vigilant with promoting and reinforcing physical distancing and health and hygiene messages.

Principals are asked to remind their school community of the current requirements to maintain good hygiene practices and physical distancing of adults.

Continued next page ...

Respect Cooperation Kindness Perseverance

Continued from previous page ...

Daily cleaning regimes, access to hand sanitiser and actively promoting hand hygiene, physical distancing and coughing/sneezing etiquette through signage will serve to keep Western Australia as safe as we can during Phase 4 of the WA Roadmap to Recovery.

The Australian Health Protection Principal Committee (AHPPC) continues to note that there is very limited evidence of transmission between children in the school environment, resulting in a relaxing of the physical distancing requirements between students.

Adults in schools should continue to keep up physical distancing of 1.5 metres where possible. All members of the school community must continue to practice good personal hygiene to better protect themselves and the general health of society.

Gathering limits are now only determined by WA's reduced two square metres per person rule. This measurement is specifically for determining the capacity of venues where adults are present.

ASSEMBLY

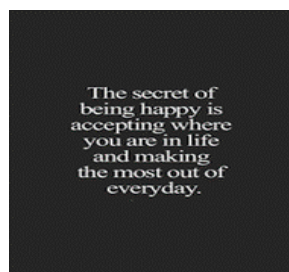

Please note that due to the above regulations, we are still unable to accommodate, what we would consider, our normal assembly, with parents and carers in attendance. Until further easing of restrictions, this arrangement will remain in place.

Regards

Ms Murray,

Principal

PRIDE - EFFORT - PROGRESS

Classroom Learning Focus

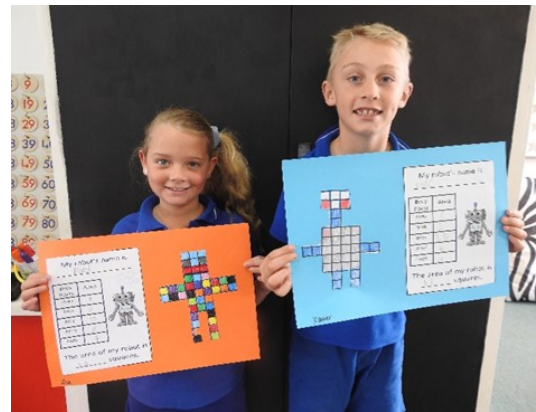

Senior Room

In Reading this term, the Senior Room have been doing Literature Circles. The students read a section of a novel each week and then complete a number of comprehension activities based on what they have read.

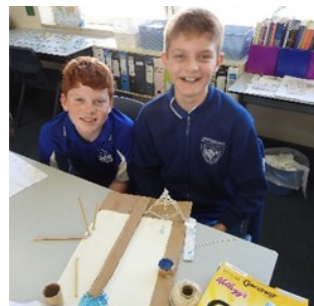

Junior Room

In Mathematics we have been learning about Area. We created 'Area Robots' and counted how many squares they covered to work out their Area.

Ms Murray

Senior Room Students have been working on completing a Technology and Enterprise activity that has required a great deal of research, planning, drafting, making, evaluating and assessment of their projects. All the students were required to ensure the environmental aspects of making a Park to suit all ages or a House that would be safe and have sustainable features for the future and in a disaster.

CONGRATULATIONS

*A MASSIVE congratulations to our students who competed in the Cross Country at Eneabba.
You did us proud.*

Pyjama Day

Thursday September 3rd is National Pyjama Day.

Currently in Australia there are more than 48,000 children in foster care. More than 75% of them won't finish high school and 92% sit below the average reading level. With the money raised from National Pyjama Day you'll be helping us offer learning skills to more than over 1000 children. National Pyjama Day is all about wearing your favourite pair of PJ's to help the Pyjama Foundation raise much-needed awareness and funds for children in foster care.

Please bring along a gold coin donation.

UV FORECAST
myUV.com.au

YOUR DAILY GUIDE TO SUN PROTECTION.

How to read the UV forecast

Protect yourself in five ways from skin cancer

Remember to use a combination of the five sun protection measures when the UV level is 3 or above – never rely on just one. Look for your local UV forecast at myUV.com.au

For more information on sun protection and skin cancer prevention call Cancer Council WA on (08) 9212 4333.

UV Data provided by Bureau of Meteorology via the Copernicus Atmosphere Monitoring Service.

Australian Government
Bureau of Meteorology

Think UV not heat!

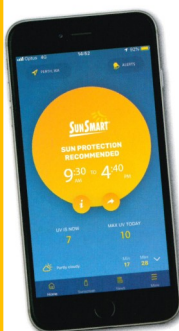

When UV is 3 or above
be SunSmart.

Find your UV forecast at myUV.com.au

When UV is 3 or above Be SunSmart.

But how do you know when?

GRAB THE FREE SunSmart APP!

The sun's ultraviolet (UV) radiation is the major cause of skin cancer.

UV cannot be seen or felt and can damage you on cool or cloudy days.

The sun protection times tell you when UV is forecast to reach 3 and above, that's the time to be SunSmart.

Grab the app or visit myUV.com.au

	Jacket	Vest	Miling Netball Club BSB: 016 760 Account #: 905279894
Adult	\$80	\$75	
Kids	\$75		

Footy Tipping

Well, has anyone kept up with the footy tipping? It just seems to roll on!

WINNERS

* R9 Shilo * R10 Charlotte / Jonesy

The little girl up at the school who doesn't follow footy is showing us how it's done!!!

Leading so far ...

* Colin/Charlotte 59 *Bit of a comp going on here, keep watching this space!*

* Annaleis / Moni 55 * VJ / Alison 54 * Aiden / Richard 52

So, good luck everyone, it's only for a bit of fun. Happy tipping.
