## Message From The Principal

**What lies behind you and what lies in front of you, pales in comparison to what lies inside of you.**

This newsletter is a combination of School & Community news and as a result some content may not reflect Miling Primary School's attitudes or values.

### MORAL PURPOSE:

to provide the opportunity for our students to become well informed, actively involved, positive citizens through: developing life long learners and maximizing the potential of every student.

### Dear Parents, Carers and Community

#### Week 8 Term 3

How wonderful are our Miling students? The demonstrations of sportsmanship, perseverance, empathy, grit and determination were amazing at our Faction Carnival held at Kalannie. It was a terrific day with a lovely atmosphere around the ground. Our students battled on with injuries and soreness that did not stop them from giving their best at every opportunity.

Another big thank you to our wonderful parent body of volunteers and supports, Miling Primary School is lucky to have such an engaged community.

Good luck to everyone at the Interschool Carnival on Friday 11<sup>th</sup> September. I am sure that our combined team with Kalannie will do us proud.

#### PJ Day

Wow! What an array of sleeping attire the students and staff demonstrated on Thursday 3<sup>rd</sup> September. Congratulations to everyone for the terrific fund raising effort!

#### Veggie Crunch

Our Crunch-0-Meter is out again this year to see if we can make as much noise as possible on Thursday 10<sup>th</sup> September. The students have a wide variety of vegetables to choose from to add to their already prepared recess. We will share our achievements in the next newsletter.

### Dr Paul Swan Professional Learning

Today we have Dr Swann presenting professional learning to our staff and 35 other principals and teachers from surroundings schools. This opportunity will be a tremendous support for the ILN schools and our own school moving forward with problem solving into the future. Thank you to our P & C for organising afternoon tea for the attendees.

### P & C Support

I would like to acknowledge our P & C for their constant support for our teaching and learning. The recent payment of subscriptions for Reading Eggs and Mathletics for our students ensures that the learning for our students remains at a standard that will encourage progress well into the 20<sup>th</sup> century.

### Attendance

I am very pleased to report that our overall attendance rate has improved to 91.3%. Please ensure that when your child is absent from school it is a reasonable reason and you advise the school as soon as possible.

# Classroom Learning Focus

## Senior Room

This term in Art the Senior Room have been looking at Zentangles. Zentangles are miniature pieces of unplanned, abstract art created through simple, structured patterns called tangles. Zentangles are easy to learn, relaxing and fun.

## Junior Room

In the Junior Room we have been learning about Information Reports. The students had to choose a puppet and come up with facts about their appearance, habitat and diet. They then informed a partner of all the facts about their puppet.

Students in the Junior Room have worked on designing, reflecting, creating and producing Marionette Puppets in Technology. They were very creative in thinking about how and what their puppet may need to be able to do when the students moved them.

## Ms Murray

In Technology the Senior Room Students surveyed the school and recorded the natural and processed materials that were evident in the school environment. The discussion and reflection about a wide range of materials was insightful and reflective of the students wide range of knowledge.

# Pyjama Day

Thursday September 3<sup>rd</sup> was National Pyjama Day.

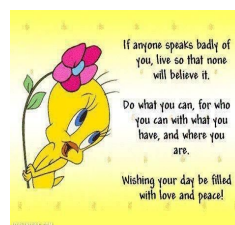

Last Thursday, 03 September, the students at Miling PS participated in National Pyjama Day. National Pyjama Day is all about wearing your favourite pair of PJ's to help the Pyjama Foundation raise much-needed awareness and funds for children in foster care. The \$83.00 raised will be used to help offer learning skills to more than 1000 children.

**YOLO**

YOLO is an anonymous question and answer app that works in combination with Snapchat. In May 2019 it became the most downloaded app in the UK iTunes store only a week after its release and with no prior marketing or promotion. It has become hugely popular amongst children, particularly teenagers, as it offers them the opportunity to join in anonymous Q&A without having to reveal their identities, which often encourages more honest and open peer feedback. This can offer kids a real sense of self-worth when they receive positive comments on their posts but can also have serious drawbacks if abused. At the time of writing this guide, YOLO was only available to download from the iTunes App store and unavailable to Android users.

**AGE RESTRICTION**  
**13+**

What parents need to know about

**YOLO**

### EVERYTHING IS ANONYMOUS

Once a user has downloaded YOLO, they will be prompted to open Snapchat and post a message to their friends and followers to send them honest messages. From these responses, all of which are anonymous, the user can then choose one and either reply direct to it in the YOLO app or reply via an image or video in Snapchat. This response can then be added to their Snapchat story. Given the anonymity, these messages may not always be helpful or positive.

### RISK OF BULLYING

Like previous similar apps before it, YOLO could be used to facilitate bullying given user identities are hidden. Cyberbullies may see this as an opportunity to send offensive or abusive comments to your child, especially as there is little opportunity for screening replies prior to them landing in your child's inbox. Children's charities, such as the NSPCC, have already voiced their concerns over the potential for the app to be misused.

### NO AGE VERIFICATION PROCESS

Whilst YOLO recommends that the app should not be used by children under the age of 13, the iTunes store provides a recommended age rating of 17+. Nonetheless, if your child chooses to download the app and already has Snapchat, there are no age verification checks and no initial barriers to use. As long as your child has access to an iPhone and has Snapchat installed, they have access to YOLO.

### AN INFLUENTIAL FEEDBACK TOOL

YOLO is designed to offer children the ability to tell their peers what they think of their posts and aims to encourage positivity between friends. However, the app may become an influential tool in shaping how your child behaves and interacts if they receive feedback from their followers which is more critical, such as in respect of appearance or their day to day actions. Children are so keen to be accepted by their friends that they may try and act on the criticism in order to do whatever it takes to fit in.

## Top Tips For Parents

**1**

### SPEAK TO YOUR CHILD ABOUT CYBERBULLYING

The best way to deal with offensive or hurtful comments online is to talk your child and prepare them for what they may encounter. Offer them advice and support in dealing with nasty comments and teach them how to report or block users, so that they feel empowered to take action and can build confidence in staying safe online. Try to get them to talk about it so that they don't feel alone or unable to call for help.

**2**

### TALK TO YOUR CHILD ABOUT YOLO

Every child wants to feel a sense of validation from their friends and peers but some may be looking for it for different reasons to others. Talk to your child about their use of the app and why they use it. Ask them if they see it as a positive influence in their life and the type of questions they are being asked by their followers. If they don't really see any benefit in it, do they really need it?

**3**

### TALK ABOUT BEING KIND ONLINE

Unfortunately, children and teenagers can say nasty things and the anonymity that YOLO provides means that some may see this as an opportunity to openly say things that maybe otherwise they wouldn't. Talking to your child about being kind to everyone, both online and offline, and treating others how they would wish to be treated will help your child to understand the damage that cruel or nasty comments can have on others and the potential long-term consequences it could bring.

**4**

### USE BOTH YOLO AND SNAPCHAT PRIVACY FEATURES

Although YOLO primarily works through Snapchat, it does offer the ability to report offensive comments and permit users to be blocked. If your child is concerned about comments they have received, this should be the first step they take in order to ensure nothing is received from that user. Similarly, to ensure your child is only interacting with friends and people they know, ensure that only their friends, and not everyone, can view their Snapchat story. This will limit who can send your child any anonymous messages.

**5**

### IF WORRIED, SIMPLY DELETE THE APP

If your child has received a number of offensive comments or is repeatedly being targeted by bullies, then the best option may be to delete the app altogether. All the features of the original Snapchat app will remain the same and your child will still be able to interact with their friends as per normal.

# Hockey News!

A huge thank you to everyone that helped with our 3 home games! There were some that went the extra mile to assist and we are incredibly grateful.

Our C Grade team have been playing some brilliant hockey and now only have two games to go. They play at 12pm in Moora this Saturday. The seniors team have finished third on the ladder and will take on Robins Red in the Preliminary final on

Saturday at 1:30pm in Moora. We would love to see you there! Gate prices are \$2 for adults and \$1 for kids. Robins will be running a canteen.

The following week the grand final and final games for C Grade will be held here in MILING for the first time on SUNDAY

SEPTEMBER 20! The C Grade will be playing their last game for the season and, fingers crossed, the seniors will be too! Please note the C Grade association presentations will be held at approximately 1:15pm. The Miling P & C will be catering so pop in to support them. It is sure to be a great day for our community!

# ARTS HAPPENINGS

There are not enough joyful words to encapsulate all that is happening creatively here in Moora at the moment! But! I will try!

First up, we have an amazing FREE community concert featuring legendary musician Phil Walleystack on-stage with the Perth Symphony Orchestra – what a coup! Kicking off with workshops at Moora Primary and St Joseph's Primary School, the PSO x PWS experience culminates in a free community concert at the Moora Performing Arts Centre.

Phil Walleystack has the innate ability to connect with his audience with his raw talent and unique style of storytelling and humour. His harmonious mix of melodies will have you captivated. Together with an eight-piece Perth Symphony string section, this cultural fusion of traditionally inspired, contemporary music is guaranteed to keep you on the edge of your seat.

The Gardiner Street Arts Collective sends massive thanks to the CBH Group for supporting this tour and for understanding the value of the arts to regional communities. GSAC also thanks our wonderful Shire of Moora for its support in bringing the PSO to our community.

The Collective is thrilled to be partnering with well-known local artist, Lyle Wright, in hosting "An Afternoon with Lyle Wright". Come along and enjoy a small-group Watercolour Paint Workshop with Lyle Wright. For just \$80, your ticket includes tutelage from esteemed artist, Lyle Wright, a light lunch from our friends at Jeanne D'Moore and all art supplies.

VERY limited tickets available. Please book now to avoid disappointment

The final cultural cab-off-the-rank for September is the 'Kep Gabi – Stories from Yued Country' interactive exhibition at the Gardiner Street Arts Collective. Join members of the Yued community as they share their memories of people and place. This interactive exhibition is the culmination of a year-long project in Moora which saw the Yued community explore place names and stories through a variety of mediums including visual art, photography, written stories and audio recordings. This exhibition and book launch is a unique opportunity for Elders to pass on cultural knowledge to future generations of storytellers. Kep and Gabi are Noongar words describing water on Yued country. Rivers and waterholes are important to the history of life and movement in the region. Please join us for the exhibition launch at the Gardiner Street Arts Collective on Friday 18 September from 3:30pm.

'Place Names' was developed by Community Arts Network in partnership with Professor Len Collard of Moodjar Consultancy, it's supported by the Australian Government's Indigenous Language and Arts Program and the Australia Council for the Arts.
