MORAL PURPOSE:
to provide the opportunity for our students to become well informed, actively involved, positive citizens through: developing life long learners and maximizing the potential of every student.

I've learned that people will forget what you have said, people will forget what you did, but people will never forget how you made them feel.

Dear Parents, Carers and Community

Student Leaders

Our students participated in the Student Leader speeches on Wednesday 11th November. The students spoke extremely well and articulated beautifully the tremendous personal qualities they both have. They are to be congratulated on their great efforts.

NAIDOC Acknowledgement Day

On 24th November the students will participate in a Naidoc Acknowledgement Day with the Cervantes Rangers.

School Assembly 5th November

Thank you to the parents and families that attended our last assembly. It was wonderful to see the wide range of activities that focused not only on literacy, numeracy but the creative side of learning as well.

Sporting Schools Bowling

Our first Bowling sessions begin today, I am sure that the students will enjoy the challenges and experiences that this sport displays.

Creating some amazing artworks and structures.

Ms Murray

The Senior Room Students sharing the games they had developed in Technology on Scratch. The students had to plan, design, collaborate, revise and connect with an audience. There was a variety of games and activities such as puzzles, interactive, developmental and informational opportunities for the Junior Room Students. The feedback was positive and the students enjoyed the challenge and celebration of sharing their designs.

Health and Well Being

Five SunSmart tips for outdoor sports

Now that spring has well and truly sprung, you may be trying to make the most of the warmer weather by getting active in the sun.

While physical exercise is great for your health and wellbeing, it's also important to make sure you're protected when the UV Index is 3 or above.

How do you know when you're at risk? The [free SunSmart app](#) tells you exactly when the UV level is 3 or above and can send you an alert to remind you when sun protection times start. It also tells you the forecast maximum UV for the day.

To help make sure you're well protected during the warmer months, we've put together five SunSmart tips:

1. Slip on protective clothing

Choose long pants and long sleeve collared shirts. Darker coloured materials are best as they absorb more UV radiation.

2. Slop on SPF 30+ sunscreen

Use a broad spectrum, water-resistant sunscreen and apply 20 minutes before going outside. Reapply at least every two hours.

3. Slap on a broad-brimmed hat

A hat should cover your head, face, neck and ears so swap the cap or visor for a broad-brimmed, bucket or legionnaire hat.

4. Seek shade

Whilst you're playing sport outdoors, take advantage of shady breaks whenever you can. Hydrate in the shade and find shady spots when off the field. Try to schedule training and games earlier in the morning or later in the day when the UV radiation isn't as intense.

5. Slide on sunglasses

Go for close-fitting, wrap-around styles, and ensure they have an eye protection factor (EPF) of 10.

GARDINER STREET ARTS COLLECTIVE – MOORA ...what's it all about?

Gardiner Street Arts Collective's purpose is to create an inclusive, shared arts space available to all people of the Moora community and wider region to participate in The Creative Arts.

The Collective is a not-for-profit group in Moora looking to strengthen and nourish the community through creativity.

We showcase local artists by offering creative arts spaces, a gallery, retail outlet, offered on a fee for service basis.

We embrace all existing creative groups with a vision of a thriving, inter-linked community across generations and cultures.

For beginners, experts & experimenters.

To learn, develop, teach & share.

Art and Culture have the power to transform lives and communities.

GARDINER STREET ARTS COLLECTIVE IN 2020

In 2020, GSAC has held 'drive-by' exhibitions, acrylic and watercolour workshops; a slow craft afternoon; cooking classes, belly dancing and 'Reg Gabi Exhibition' showcasing local indigenous people's personal stories within the COVID restrictions of 2020.

CALENDAR 2021

Includes solo and group exhibitions by Western Australian artists, drama, writing, and art workshops conducted by local and imported artists; continuing Ballet, for both adults and children; Miss Roxanne's Dance Company dance and music lessons.

The Moora School of Music teaches ukelele, drumming, piano, guitar. All details to be found through Facebook, Instagram and on the website.

WHAT WOULD YOU LIKE TO DO???

Future ideas include Art therapy based workshops in basket weaving, mindful drawing and painting, drumming; Winter workshop including ceramics, crochet and fundraising events such as painting music night, a long table dinner and opera.

Short movie festivals for small groups, an annual community art exhibition, a book club, baking for blokes and star-gazing stories are all in the mix.

Thanks to Moora Shire Council Community Grant and the time and expertise of Local Lady Gardeners, Joey Seymour and Tracy Humphrey, the establishment of a garden with bush tucker plants, fragrant garden, meditation space and a fire pit is planned for the rains of 2021.

Future links created with our region's towns on an art tourist trail from New Norcia to Morawa, Carnamah to Jurien Bay, Badgingarra to Gingin.

To pay the rent, each space is used on a 'fee for service' basis, combined with membership options, donations and grant funding where possible. We would value your contribution.
