Message From The Principal

This newsletter is a combination of School & Community news and as a result some content may not reflect Miling Primary School's attitudes or values.

MORAL PURPOSE:

to provide the opportunity for our students to become well informed, actively involved, positive citizens through: developing life long learners and maximizing the potential of every student.

Dear Parents, Carers and Community

Graduation Night 2020

Congratulations to all our award winners on Friday. A big effort was made by all to ensure that the night was as audience friendly and COVID-19 safe as possible. The engagement of the students and audience was tremendous with many a 'one liner' delivered extremely well. Thank you to the community who helped pack up at the end of the night and another big thank you to Gary Bailey and Vikki Jones for keeping the technology going smoothly to ensure our students had a successful night.

Camp 2021

The camp for 2021 will be for students in Year 4-6.

We will be joining with Kalannie and Calingiri for the camp in Term 1 Week 8. Our students will then continue this relationship annually to different destinations with both of these schools. This is an increase in camp opportunities for our students over three years, to grow social relationships each year, and be exposed to many different places in Western Australia. The 2021 Camp will be to the Kalgoorlie Area with a vast array of activities planned for the students. Further information will be provided for parents early in Term 1 2021.

P & C Assembly

Thank you once again to our terrific P & C for organising the gift of books to our

students in 2020. I am sure they are much appreciated by our students.

Asbestos Removal

Please do not enter school grounds on **19th December** as workman will be here removing asbestos from some gardening sheds.

Facility Refurbishment

The school toilets will be completely refurbished during the 2020/21 School Holidays. This should be a pleasant surprise for the students and a nice way to commence the new school year. Carpet will also be replaced throughout the classrooms and administration building.

Swimming Lessons 2021

Swimming lessons will be conducted at Moora Swimming Pool from 15th February to 19th February 2021. Forms will be sent home this week.

Reports

I would like to congratulate all our students on their terrific efforts to consolidate and make progress in their learning this semester. It was a pleasure to read all of the positive comments that have focussed on the development of learning to demonstrate great results. Well done everyone!

Thanks

Best wishes to Cinny Topham for a restful and relaxing retirement. Students and staff, past and present, thank you for your 32 years of amazing service.

Thank you to Naomi Harrington who has worked at the school for the past three terms supporting the COVID-19 cleaning requirements and contributed on many occasions to support the teachers for the end of year concerts, also her terrific effort for the very successful end of year raffle. Best Wishes to you and your family for your move to Geraldton.

COVID-19 Cleaning

The school has been advised that the level of cleaning will remain as per 2020 for Term 1 until further notice.

Attendance Rate 2020

We finish the year with a very good attendance rate of 93.1%, this is a great starting point for 2021.

I wish everyone a safe and restful Christmas and Holiday break and a successful 2021.

Regards
